

# HERITAGE HIGHLIGHT: *Nature's Laboratory*

Saturday, May 4, 2024 from 1pm-3pm  
Carpenter Nature Center - MN Campus  
12805 Saint Croix Trail S, Hastings, MN 55033  
Presentations & Hike: \$15/person  
Optional Make & Take Class Add-On: \$20/person

## Presentations

"Heritage Highlight: Nature's Laboratory" will bring the community together to learn about **foraging, herbal medicine, and traditional ethnobotany** from **Certified Herbalist, Heather Mashuga** and **The Friendly Forager, Tanna Worrell**. Our teachers will have a variety of their products available for purchase. Hear about the Heritage Area and Carpenter Nature Center's programs. Enjoy refreshments and a delicious tea made from locally foraged ingredients.

## Location: *Carpenter Nature Center*

The event will take place at the Carpenter Nature Center's 425-acre Minnesota Campus, near Hastings, MN.

## Optional Add-On: *Make & Take Class*

Herbalist Heather Mashuga is offering an **optional Make & Take class** after the program for those who want to try their hand at making herbal tinctures! 3pm-4pm  
**Class Price: \$20/person, 20 spots available**
